The Michigan Historical Museum education staff is pleased to present the following workshops designed especially for Brownie Girl Scouts. The program fee for girls and their chaperones includes handouts, lunch, snacks and certificate. Each Brownie receives a Try-It!

November 13

BROWNIE BOOGIE

Brownies dance the day away as they earn a *Dancercise Try-It!* They will learn dance movements, tell a story through dance, enjoy a dance performance and create their own dance.

January 15

PUPPETS, DOLLS AND PLAYS

Michigan history and art combine to help Brownies earn their *Puppets, Dolls and Plays Try-It!* The girls will create a Michigan history play and perform it as a puppet show.

March 12

HER STORY

Brownies discover the issues that are important to women and girls as they create a modern fairy tale, skit or song to honor a woman of the past. The girls will create a personal time line to earn the *Her Story Try-It!*

May 7

LET'S PRETEND

Brownies put their imagination to work and earn a *Let's Pretend Try-It!* They will bring Michigan history to life as they create a mask, learn how to project their voice, try pantomime and then act out a historical scene.
